Volunteers to commence working on the issue: Commissioners Riel and La Bella.

**Agenda Item No. 13 – Draft Hearing Procedures.**

Mr. Walker reported that the driving force of these procedures was the non-existence of hearing procedures from other jurisdictions that were contacted.

The Commission asked to review the procedures, and anticipated action on this item at the second meeting in October. The public has had access to the document for review as part of the Agenda.

**SPEAKER:** Stanley Imber, Co-Chair of Common Cause of San Diego County, commended the Commission for its proposal to audit reports by campaign committees and disclosure reports by lobbyists. He expressed that this is a

singularly important action that will provide certain basic information for the monitoring function of the Commission.

Chairperson Leonard responded that good dialogue was received at the Rules Committee and she indicated that with the mandatory training, additional staffing is needed. Additionally, Ms. Leonard mentioned the need for additional funds to conduct audits. She proposed the following timeline:

1. The Audit Subcommittee conduct a meeting and return with another revised draft at the next meeting.
2. Depending on the number of revisions, forward the draft to the Treasurers that have commented for review.
3. Return to the second Commission meeting in October for approval.
4. Upon approval, submit the Proposed Audit Manual to the City Council.
5. This item is scheduled to return to the Rules Committee on November 20, 2002.
6. Provide an advance copy of the manual to the Rules Committee to allow for review.
7. Offer to meet with the Committee and schedule meetings to obtain comments prior to returning to the Rules Committee.

Discussion continued regarding the Commission utilizing an outside auditing firm to conduct the audits. Different scenarios were presented. The consensus of the Commission is to use an outside firm.
